Friends,

With Springtime well underway, and VBS just a few months off, this seems like a good time to think about our ministry with young people. We are a church that takes pride in the work that we do for the Children in our community. One of our goals is to ensure that every child is safe while they are in our care. One key way that we ensure the safety of children and vulnerable adults in our community is Safe Gatherings training.

Safe Gatherings is a training program used by adults who want to work with children and youth in the United Methodist Church. Volunteers are trained to prevent harm on our grounds as well as be aware of signs of harm/neglect that may be happening away from our church.

Safe Gatherings is vital to the ministry that we do here. If you're considering joining in the joy of ministry with the children of our church and our community, consider contacting Donna Lewis or Andrea Stitt for more ways to be active.

Peace,
Pastor Chad
